KLLC

When KLLC started broadcasting a new format, it made a commitment to make a difference in the local community. The San Francisco Bay Area is known to have one of the highest incidences of Breast Cancer in the country. Since KLLC's core audience is women, it made sense for the station to be an advocate in the fight against breast cancer and help raise funds for local breast cancer organizations to continue their work. This inspired an annual music CD project now going into its 10th year. "This is Alice Music," Volumes 1 - 9 have raised hundreds of thousands of dollars for the following local breast cancer charities:

- The Susan G. Omen Breast Cancer Foundation – the mission of the local chapter is to eradicate breast cancer as a life threatening disease by advancing research, education, screening and treatment.
- The Community Breast Health Project – founded in 1994 by a breast cancer survivor and her surgeon. The project serves individuals in the Bay Area, providing services free of charge from diagnosis through treatment and beyond.
- The Breast Cancer Fund – strives to unearth and eliminate the preventable causes of

breast cancer, identify safe, reliable detection methods, develop non-toxic treatments and secure access to care for all.

- Art For Recovery Breast Cancer Quilts at the UCSF Comprehensive Cancer Center – created the Bay Area Breast Cancer Quilts workshop as an outlet to express the breast cancer journey and are frequently on display at local events and around the country.

Summerthing, Alice's annual free musical event in Golden Gate Park, helps raise money for different local charities, including Camp Okizu. Camp Okizu is a small local non-profit that provides a camp for kids with cancer. Camp Okizu works with seven local hospitals to provide a special camp in Northern California for children with cancer. The Okizu Foundation is a very small organization that could not otherwise offer camp programs without help from the local community. These programs are the result of a collaborative effort of the foundation and the pediatric oncology treatment programs in northern California.

Once a year, KLLC participates in a free local Job Fair.

KLLC's Now & Zen Fest, an annual event in San Francisco's Golden Gate Park that entertains 14,000 concert-goers. Every year Alice offers up to 5 free booths to Bay Area Non-Profit organizations to educate, reach out, communicate and raise funds with KLLC's audience.

KLLC's 3-Minute Film Festival, which promotes the art of film-making with an on-air campaign, website program that promotes the Bay Area Video Coalition and the Film Arts Foundation, both non-profit organizations dedicated to supporting the Bay Area Film community. Both organizations also receive a donation from ticket sales.

KLLC also reaches out to the local community by sponsoring various Bay Area Events including:

- Waves to Wine, an annual bike event for the National Multiple Sclerosis Society Green Festival, promotes sustainable local green economies & environmental responsibility.

KLLC broadcasts public service announcements 10 times per day Monday through Friday.

KYCY

Digital technology has prompted community awareness of and interest in the opportunities connected with the Internet and associated media. As a direct result KYCY has participated in a series of Podcast "How To" seminars for the Learning Annex in San Francisco. These one hour seminars introduce students to podcasting and cover the entire process from idea to production to publishing.

KYCY also participated in a "Radio 101" workshop for the non-profit 826 Valencia Center's summer program. The class consisted of 10 to 13 year old students participating in the full spectrum of learning how to produce radio programs: writing for radio, production, voice & diction. The final project was a student produced program that was broadcast on KYCY and made available on kyouradio.com and on the 826 Valencia website as well.

TAMPA

WYUU

Since its inception, WYUU has become an integral part of the Hispanic Community. Being the only FM Spanish Language station, WYUU is the first choice of charities and local organizations to promote their causes and events. WYUU accepts this responsibility and donates many of their resources to help the community. These assets include promotional airtime, interviews, web-site ads, coordination of performers/talent at events, and e-mails to our listeners.

St. Jude's Radiothon: WYUU dedicates two days of programming to solicit donations for the St. Jude Children's Hospital. During the 2007 radiothon we raised over \$150,000.

Latin Fest: The City of Tampa Mayor's Hispanic Heritage Committee each year in the Month of October (Hispanic Heritage Month) the Committee hosts a celebration in honor of Tampa's Hispanic Employees, the Hispanic Community, and their many contributions to Tampa and its citizens.

In addition to the Scholarship awards, this committee has also mentored many at-risk Hispanic youths from local Elementary, Middle and High Schools. For the past few years, they have coordinated and hosted a Holiday Celebration (with food and toys) for the students at Desoto Elementary School. Without their efforts, many of these children would not have had any holiday celebration.

Conga Caliente: The broad appeal of Latin music makes this a perfect match for family-oriented activities. Listeners enjoyed not only the rhythms, but also traditional cuisine, merchants selling Hispanic art, dominos areas, and a hands-on activity area for children, a display of paintings and sculptures by local artists, and live music such as salsa, merengue, tango, ballads, and Spanish pop and rock. Proceeds benefit Arts for All, Inc., a not for profit organization devoted to providing access to free performing arts programs and events to children and families in Tampa.

Puerto Rican Saint Festival: A family-oriented, cultural and educational event celebrated at England Brothers Band Shell in the beautiful and friendly City of Pinellas Park, Florida. It showcases a mosaic of the very best of the Latin-American rhythms and dances, arts and crafts, painters, exhibits, kiddy rides, and the flavors and aromas of ethnic and international cuisine. The event is a celebration and pride of "NUESTRA RAZA" during the Hispanic Heritage Month.

Puerto Rico Cultural Parade: La Nueva gladly supports the efforts of The Puerto Rico Cultural Parade as a means to unite the different Hispanic groups in the Tampa Bay and Central Florida areas in a day of celebration for the whole family and cultural manifestations highlighted with extraordinary live entertainment, art and crafts, artisans, ethnic and international cuisine, exhibits, kiddy rides, and a colorful parade.

Fiesta Day: Fiesta Day is a tribute to the Cuban, African Cuban, German, Italian, Jewish, and Spanish immigrants that came to Ybor City in the late 1800's. These immigrants settled in Ybor as the Cuban cigar factories thrived. "Ybor City Day" as it was originally known, began as a day of rest for the cigar workers of the district. Today, Fiesta Day attracts a diverse population of over 15,000. Some of the highlights are the International Parade of Flags which is led by La Nueva, Children's Fiesta, Black Bean Burnout, Flan Fest, Live Multicultural Entertainment, and Arts & Crafts.

Flan Fest: Flan Fest is a lively festival with music, art & crafts, live music, dancing and much more. At this unique festival, listeners prepare their best flan and enter it in the Flan Contest, there are over 35 entries. After the flan tasting there is the long awaited flan eating contest. As part of our commitment to help our community, La Nueva helps The Ybor City Saturday Market, Inc., in their efforts to serve as a resource and catalyst for improving the accessibility of affordable, regionally grown produce, arts and crafts, prepared foods, and other locally produced products to Hillsborough County's residents and visitors.

Christmas Food Drive: In efforts to help the families of Metropolitan Ministries, La Nueva and Sweetbay once again lend a helping hand. La Nueva setup at several different Sweetbay Supermarket locations throughout the Tampa Bay Area. The Hispanic community came through to help with money donations as well as food donations. This was a very successful event which helped feed several families during Christmas.

La Nueva's Annual Toy Drive: La Nueva teams up with HCSO for the Annual Toy Drive in an effort gather toys for needy children. This event takes place in the Wal-Mart parking lot and lasts from 6:00 am – 12:00 midnight. An estimated 250 families were assisted.

WLLD

WLLD continues to make a concerted effort to "give back" to the Tampa Bay Community. Our main focus recently has been a movement called "Knowledge is WiLD," our umbrella initiative to improve the various aspects of education in the Tampa Bay Area. This includes raising the GPA, information on scholarship opportunities, reducing the dropout rate, and more. Using the power of WLLD, we've been able to provide on-air announcements, raffle prizes, and sponsor leads.

Highlights from "Knowledge is WiLD" include: Teen Youth Summit and fundraising dinner hosted by Russell Simmons. Proceeds benefited a local charity that pays for underprivileged student's college tuitions

Talent Expo search for aspiring artists and performers. Proceeds went to a local charity that hosts after school tutors and activities for students of South St. Petersburg

Sponsorship of HYPE week, a partnership with the Hillsborough Education Foundation to find Mentors for high school students.

Regular Guest Speaking. The WLLD Program Director and Marketing Manager have been guest speakers at Boys and Girls Clubs, At Risk Youth Programs, and local college classes to discuss education and various careers in the media industry.

In addition to the “Knowledge is WiLD” campaign, WLLD promotes several local causes through promotional announcements and on-site broadcasts. Each week our street marketing team broadcasts from at least two charitable events. These events range from teen center fundraisers, blood drives, to annual parades and festivals. Some highlights listed

Puerto Rico Cultural Parade: WiLD teamed up with WYUU and participated in and promoted the Puerto Rico Cultural Parade held in Downtown Tampa. The parade aims to unite the different Hispanic groups in the Tampa Bay and Central Florida areas in a day of celebration for the whole family. The annual event includes live entertainment, art and crafts, artisans, ethnic and international cuisine, exhibits, kiddie rides, and a colorful parade.

Fiesta Day: Fiesta Day is a tribute to the Cuban, African Cuban, German, Italian, Jewish, and Spanish immigrants that came to Ybor City in the late 1800’s. These immigrants settled in Ybor as the Cuban cigar factories thrived. “Ybor City Day” as it was originally known, began as a day of rest for the cigar workers of the district. Today, Fiesta Day attracts a diverse population of over 15,000. Some of the highlights are the International Parade of Flags, the Children’s Fiesta, Black Bean Burnout, Flan Fest, Live Multicultural Entertainment, and Arts & Crafts.

Tampa Bay Caribbean Carnival: This weekend long carnival and parade show the support for the Caribbean community in the bay area.

World AIDS Day:

WiLD supported this national day with hosting several street blitzes throughout the bay area. Listeners had an opportunity to get free testing, and information about HIV/ AIDS.

WQYK-FM

WQYK has been responding to the needs of the Tampa Bay community since 1971. Recognizing our heritage of service, this past year we devoted over \$3.2 million worth of airtime, production work, web support, and on site support to public service, local community projects and awareness campaigns, giving them the attention and exposure they need to succeed.

Quite often, the best support we can offer a non-profit organization is not money, but access to media and expertise. In 1998, WQYK began a program entitled “Charity of the Month”. We select local charities each month and devote over \$110,000 in promotional airtime to their causes. Each charity receives hundreds of recorded promos, interviews on-air and when appropriate, appearances at their events. In 2006 WQYK devoted over 11,400 minutes of airtime

worth \$2.1 million to these charities and many other worthwhile causes.

Last year the WQYK staff donated over 900 hours of volunteer work to such groups as: Meals on Wheels, Junior League, All Children's Hospital Telethon, St. Jude Radio Advisory Council, LHLA Ministry Television Network, 3-Day Breast Cancer Walk, local churches, Make-A-Wish, Shriner's Hospital, and many more.

Here is a partial list of organizations and charitable events we have supported on air and on site over the past year:

All Children's Hospital Cowboy Ball
American Lung Assoc. Asthma Walk
Back to School Tools for School Program
Chasco Fiesta Day Parade and Boat Parade
City of Tampa's July 4th Celebration

2nd Annual Angelus Guitar Auction

WQYK and the Seminole Hard Rock Hotel & Casino hosted the 2nd Annual Angelus Guitar

Auction. The station created one-of-a-kind guitars that were then autographed by celebrities and auctioned off at the event. We had over 40 guitars including Brooks & Dunn, Toby Keith, Gretchen Wilson, Big & Rich, Sugarland, WWF wrestlers, IRL drivers, and NFL and NHL players. During the auction The Undertaker unveiled his custom Chopper motorcycle and his plans to raffle it off later in the year for charity. The event generated \$27,000 for The Angelus, a home for severely handicapped kids.

WQYK St. Jude Radiothon

WQYK once again raised over \$500,000 in under forty hours at our annual radiothon for St. Jude Children's Research Hospital. WQYK took the Radiothon on the road to the Seminole Hard Rock Hotel & Casino. In the past 18 years we have raised more than \$5.2 million for St. Jude's kids.

WQYK and the Military

Tampa is home to MacDill Air Force Base, which houses U.S. Central Command. WQYK has always supported the armed forces through a variety of charitable causes. This year we helped them welcome home the troops, donated prizes for many base events, and we hosted and provided entertainment for the CENTCOM Family Picnic, Summer Beach Party, MacDill Boat Regatta, Airfest and more.

Community Parades

Tampa Bay has been associated with pirates since the 18th century when Jose Gaspar reputedly patrolled the waters of West Florida. The pirate lore continues to this day with many parades including Pirate Fest, The Gasparilla Kid's Parade, The Knight Parade, and many more. WQYK participated in over 15 parades this past year and was able to offset all expenses associated with the ship through a sponsorship with Budweiser and our partnership with the local newspaper.

Florida State Fair

The Florida State Fair is a 12-day celebration of the Sunshine State held every February. In 2007, the free WQYK pirate-themed putt putt golf course attracted fans of all sizes to take a swing. The course was open throughout the Fair and WQYK broadcast 8 times and hosted a variety of country concerts. Over 500,000 people enjoyed this year's festivities.

6th Annual Remembrance Ride

WQYK and Harley-Davidson of Tampa teamed up to honor the anniversary of 9/11 with our 6th annual Harley Run dubbed "Remembrance Ride". Funds were raised through biker registration and sales of a commemorative T-shirt. Afternoon show host Dave McKay and NYC firefighters led over 3,500 bikes on the route which was lined with residents waving flags and cheering on the riders. Over \$50,000 was raised for local firefighters and law enforcement charities.

Community Halloween Events

The WQYK promotions staff puts on its hard hats during Halloween and builds a variety of scary features. For the past 5 years WQYK has been involved with Zoo Boo, a family-friendly Halloween event at Lowry Park Zoo. This month-long event features many haunted houses and fright zones geared towards small children.

For the older kids WQYK worked with the City of Plant City to design and build a new event called Jack O'Bury Forest. The WQYK staff helped build nine theatrical scare zones including a haunted corn field, crazed animal areas, wild boar shacks and more. Our Pirate Ship was on site Halloween night in the Trick or Treat Pirate Island area.

Randy & Dave Toy Drive

During the past eight years the Randy & Dave Toy Drive has raised over 220,000 toys for needy children throughout the Tampa Bay area. In December 2006, Randy and Dave, WQYK's afternoon drive team, set up in a Toys "R" Us parking lot and for 28-hours straight collected over 24,000 toys with the assistance of the U.S. Marine Corps.

WQYK Redneck Open

Six years ago when we dreamed up this golf tournament we had no idea what it would turn into. The Redneck Open is everything that golf isn't... flip flops and cowboy boots are the shoes of choice and wife beater T's are in fashion. And there's not a quiet spot anywhere on the golf course. There are shotgun blasts and truck horn noises on most holes.

The golf course has an extreme redneck theme with holes such as "Operation Potato Storm" which had golfers shooting potatoes out of custom-made launchers. The "Seniors Tour" Hole challenged players who had to give up their clubs and play the entire hole with a walker. Since its inception the event raised over \$120,000 for The Angelus, which is a home for severely handicapped persons who are not able to care for themselves.

WQYK(AM)

WQYK(AM) is committed to helping organizations with their many charitable causes. This past year the station helped promote events for Diabetic Charitable Services, The Children's Dream Fund, the Children's Cancer Center, Michael Clayton's Charity Basketball game and more. The station also has broadcast its local shows live from a variety of charity events including the Outback Pro-AM and charity golf tournaments at MacDill AFB. In addition the station frequently gives autographed items to charities to use as auction items.

WRBQ-FM

WRBQ (Q105) supported over 200 non-profit organizations from June 2006 through June 2007. A partial list is included below. The radio station not only provides on air promotional announcements and on site support the day of the event, but includes the details of the event on our station website calendar page and streaming signal. In addition to the on going efforts to support community events, our morning show host Mason Dixon has a well established registered 501C3 charitable organization "Mason Dixon Christmas Wish Fund". Christmas Wish provides funds to hundreds of families in the Tampa Bay market who experience financial challenges due to illness, disability or in many cases families facing hardships created by a spouse serving in the military.

Every Wednesday morning show host, Mason Dixon has a representative from the SPCA (Society for Prevention of Cruelty to Animals) in studio to feature a pet to adopt. A link from the station website is also provided to encourage the community to get involved in adopting/spaying pets.

“Our Tampa Bay” is a one hour community affairs programs that features local community needs. The program airs on WRBQ (Q105) Sunday morning from 7 a.m. – 8 a.m.

WSJT

Each week of the month year round WSJT supports a free music concert. This gives many local musicians a venue to perform live. The concerts take place in St. Petersburg, Tampa and Sarasota. Proceeds from the food and beverage sales benefit a local charity. The radio station provides on air promotional announcements to support each concert at no cost to the non-profit, and also promotes the details of the event on the station website calendar page and streaming signal.

The radio station also produces a CD Sampler every year that features various smooth jazz artists. A portion of the proceeds benefit a local charity each year. Charitable organizations involved include: Music Education Foundation, United Way, Susan G. Komen, Tampa Bay Academy of Hope and All Children's Hospital.

"Hour Tampa Bay" is a one-hour community affairs program that highlights local community needs and features interviews with many residents. The program airs on WSJT Sunday morning from 7 a.m. – 8 a.m.

WJFK-FM

The Junkettes' Bikini Car Washes

During the summer months The Junkettes, The Junkies promotional spokespersons, hold Bikini Car Washes benefiting local charities. Donating their time, The Junkettes have raised hundreds of dollars for National Partnership for Immunization, Sarcoma Foundation of America, Befriend a Child, Hoop Dreams Scholarship Foundation, and Cure Autism Now, respectively.
(Annual events)

PACE Race

On October 21, 2006 J.P. Flaim of WJFK's The Junkies served as emcee as well as participated in the Prostate Cancer Education Council's annual PACE Race. The PACE Race series is a national campaign to increase awareness and early detection of prostate cancer and to educate men and their families on treatment options and other men's health issues. WJFK was a

promoting partner of the event using its on-air, online, and web assets to alert people to the event. (Annual event)

The Junkies Poker Open Pre-Parties

On November 16, 2006 The Junkies hosted their first annual Junkies Poker Open. To give away seats in the tournament they held four blackjack tournaments in the weeks leading up to the event (November 7, 10, 17, and 18). These tournaments were also used as fundraisers for two local charities. Each entrant into the tournament paid an entry fee, with all money raised going to the respective charities. The first of the four parties Hoop Dreams, a local scholarship fund. The third and fourth parties benefited Washington Animal Rescue League, a local no-kill animal rescue program.

Stuff-A-Truck

For the fourth consecutive year, CBS Radio in Washington, DC along with The Capital Area Food Bank and WTTG Fox 5 held their annual Stuff-A-Truck event on December 8, 2006. Held at various locations over the DC Metro area, the event serves as a food drive and monetary fundraiser supporting The Capital Area Food Bank. Each radio station that is involved uses its many resources to promote this event. The event included entertainment from local bands, professional athletes, team mascots and cheerleaders, local celebrities, high school marching bands and choirs, and live television coverage. (Annual event)

Cub Scout Studio Tours

WJFK serves as tour guide for many area Cub Scout troops. As part of their education, Cub Scouts are required to learn about Communication and visit a television or radio station. When the children come to WJFK, they learn about why communication through the radio is important in emergency situations, in informing listeners of current events, in providing important information about traffic and weather conditions, in alerting consumers of various products, and many other important matters. They get a first-person view of working air studios and other production studios as well as a look at the intricate system of wires and transmitters that keep radio stations on the air. (Continuous year-round program)

INOVA Blood Drives

In conjunction with INOVA Blood Donor Services and as part of an ongoing initiative WJFK has sponsored several area Blood Drives with several more in the planning stages.

Race For Hope

On May 6, 2007 WJFK entered a team into the Cassidy & Pinkard Colliers Race for Hope. The event was held to benefit Accelerate Brain Cancer Cure. WJFK was a promoting partner of the event using its on-air, online, and web assets to alert people to the event.

WPGC(AM)

WPGC(AM) takes a number of actions to contribute to the community, of which it is a part, including the following:

Coat, food and toy drive: Each month during the fourth quarter WPGC (AM) conducts a different drive to help the community. The station begins with a coat drive in October, followed by a food

drive in November and in December the station caps things off with a toy drive benefit concert featuring a national artist and a series of local artists. All of the proceeds are given to a local shelter.

For Breast Cancer Month WPGC (AM) broadcasted live its 1st Annual Pink Friday with Capital Breast Care Center to heighten awareness and promote early detection/screenings.

The last Sunday in November WPGC (AM) in conjunction with area local churches has a canned food drive Sunday to benefit the Capital Area Food Bank. This event is the precursor for the STUFF-N-TRUCK which is held the first Friday in December. This event is done with WTTG (Fox 5) television and WPGC (FM) which airs the event live for fifteen (15) hours. The results of this event consist of over 50,000 dollars being collected and over 1,000 pounds of non-perishable food items donated.

For the past six years the on air staff on WPGC (AM/FM) in partnership with the Salvation Army and Safeway Food volunteer as MC'S and Celebrity Servers for Annual Thanksgiving Feast of Sharing for over 5,000 homeless families and senior citizens.

WPGC-FM

Each summer WPGC holds Community Wednesday softball games bi-monthly featuring the undefeated WPGC "Naturals" in the DC area. In conjunction with the area police departments and local community/elected officials, the station plays a softball game with free food and soft drinks along with our promotional vehicles and prizes with a live broadcast. This event provides a family orientated venue to promote a peaceful and harmonious inclusive environment.

Summer of Safety (SOS) is an initiative implemented by the Chief of Police Cathy Lanier of the District of Columbia designed to provide the youth of DC a three (3) months violence free activities. This collaboration is a mixture of clergy, police and community addressing the senseless acts of violence plaguing our communities. WPGC AM/FM have served as

the media partner in this endeavor and resulted with the stations' on air personalities for serving as the voice of the daily hotline that parents and youth can call in to find out where they can go. WPGC's anchor Donnie Simpson serves as kickoff voice for 202-IMBORED for the past two (2) years.

WPGC AM/FM is very involved in the education and the prevention of the spread of HIV/AIDS and World AIDS Day. Each year the stations help to promote the importance of getting tested and knowing your HIV status. For the last 5 years National HIV Testing Day and campaign BET's Wrap it up and KNOW HIV has been a platform for some very creative projects such as KNOW YOUR Status Party, BIG Tigger Celebrity Weekend, LIVE Broadcast of LOVE TALK (10-12 midnight) first time ever testing was done at night these venues resulted in over. This venue results in over 1500 persons knowing their status including the Mayor Adrian Fenty. These events foster dialogue between men, women, youth and parents about behavior that places their loved ones and oneself at risks for HIV and other STI (sexually transmitted infections).

Each school year the Home Team, in conjunction with area private, public and faith based school systems invite the area high schools cheerleading squads to showcase their school spirit and support student athletes by attending Friday night games. This endeavor is entitled Friday Night Lights.

Martin Luther King Day parade: WPGC (AM) partners with WPGC-FM and Prince Georges County of Maryland to present the Martin Luther King Day parade. Station personalities participate in the parade and broadcast live from the parade and other activities on this holiday. The station also airs an entire day of programming remembering the slain civil rights leader throughout the holiday.

WPGC AM/FM

Each year WPGC is the official station for the Black Family Reunion in DC, held with the Council for Negro Women. In fact, a few years ago, WPGC's Donnie Simpson was the honorary national chairman for the Black Family Reunion.

WLZL

The Latin American Youth Center, a youth empowerment organization, is one of the local charities that we support by being present at yearly events such as their annual toy drive/party and fundraiser and linking them with our clients to help support their many programs such as the recent inauguration of Casa Zol, a transitional home for homeless girls.

As a station we regularly support other community organizations/initiatives such as March of Dimes, Clínica Del Pueblo, National Night Out, Casa de Maryland and Boys and Girls Club among others. Our involvement includes being present at fundraiser functions and community events and airing personalized spots and shows to help promote the specific organization.

WEST PALM BEACH

WEAT-FM

WEAT is extremely involved in local community events and charitable causes in South Florida. Just some of the station's annual events include The Susan G. Komen Walk to fight Breast Cancer; The American Heart Walk; The American Lung Association's

"Drive UP-Don't Light Up"; United Cerebral Palsy's "Great Chef's Tasting"; and the station's Annual "Sunny Santa's" Toy Drive that provides gifts for underprivileged children.

WIRK-FM

WIRK works with many local charitable organizations including the local chapters of The American Heart Association, the Susan G. Komen Foundation, March of Dimes, SOS Children's Village, The "Bravo" Company of the National Guard, Forgotten Soldiers, the Florida Highway Patrol Auxiliary, St. Jude Children's Research Hospital and JD's Sneakers for Students with the Boys and Girls Clubs of South Florida and the Palm Beach County School Board. Each year for the past 5 years WIRK has spearheaded a drive to acquire new sneakers for the students in the

Palm Beach County Schools who need them for back to school. New shoes was the number one thing on the list of items those in need wanted, so the station obliged. This year the program was able to get over 1100 pairs of new sneakers for the kids who needed them. WIRK also puts on our annual Freedom Ride to support Forgotten Soldiers Outreach. Freedom Ride is a motorcycle ride that raises money for Soldiers overseas.

WMBX

WMBX-FM has teamed up with several local organizations, charities and events that target the station's listeners and aids its community. The station has teamed up with organizations like "The Boys & Girls of Palm Beach", "Big Brothers & Big Sisters", "Friends of Abused Children", and "Sickle Cell Foundations."

WPBZ

WPBZ held two major blood drives this year to aid South Florida's critical blood supply shortage. One event generated over 200 pints of blood while the other came up just short of 200.

The station also held the area's largest and continuous three-day school supply drive where the station was able to generate over eight thousand dollars in books, paper, pens, pencils, backpacks and more. All of the supplies were then turned over to Children's Case Management of Palm Beach County, which distributes them to local underprivileged students.

As part of the station's ongoing public service commitment, WPBZ-FM consistently airs public service programming, public service announcements and broadcasts information regarding charitable events such The American Heart Association's Heart Walk, The Aid's Walk and Celebrity Bartending for Charities such as The Boys and Gil's Club of Wellington Florida. The station is actively involved in these charities and appears frequently without compensation or consideration.

BALTIMORE

WHFS

As a talk-formatted radio station, WHFS deals with issues of community concern each day in a fashion that promotes community free speech, open discussion and interaction.

The Ed Norris Show, the local mid day talk show, broadcast a “Race Symposium” which aired for the full duration of the four hour show. An “Immigration Forum” aired in May, 2007, which included an immigration attorney, a state delegate and an immigration and customs enforcement agent. The segment ran for three hours.

Ed Norris’ Crime Plan Press Conference aired in June, 2007. Four local television stations covered Ed’s conference along with the Baltimore Sun and Baltimore Examiner newspapers.

The mid day show also held a Mayoral Candidate Debate aired in August, 2007. All Baltimore City Mayoral Candidates were invited. All but two, accepted the invitation. The on air debate aired for three hours

In addition to the radio station’s commitment to dealing with local issues of importance in its talk programming, WHFS produces a weekly public affairs show. This one-hour offering discusses items of community interest and concern, as ascertained twice per year through interviews with community leaders.

WLIF

WLIF supports independent discussion of community issues in its weekly public affairs programming, numerous public service announcements and morning show discussions.

WWMX

As a music-formatted radio station, WWMX makes special preparations to insure that community issues and concerns are addressed in an informative and timely fashion. The station’s morning hosts, “Jojo & Reagan” identify important topics of discussion each day, and deal with them in an informal, discussion format on the their show.

Local community leaders are interviewed twice per year, to determine the issues and concerns that warrant the most in-depth discussion on WWMX’s weekly public affairs programming, which airs for one hour every Sunday.

BOSTON

WBCN

WBCN’s Marketing Director, Chachi Loprete, is the annual host of The Metro West Humane Society’s auction held every November. WBCN contributes a variety of prizes to auction off during the event, which helps raise money for the animal rescue league.

WBCN participates in the Hyannisport Challenge to benefit Best Buddies. This event is hosted each year by Anthony Shriver and consists of an 85-mile scenic bike ride from the JFK library in Boston to

the Kennedy Compound in Hyannis. Each rider is paired with a mentally challenged individual from Best Buddies for the ride. WBCN supports the event each year by airing PSA's on the station and making van appearances at several water stops along the way to give away prizes.

Chachi Loprete hosts the annual Cystic Fibrosis "Run Like Hell" Halloween Road Race. The race is an effort to raise money to find a cure for cystic fibrosis. WBCN supports this event by making a van appearance at the beginning of the race and giving away various prizes.

For over 32 years WBCN has held their annual "Rock n' Roll Up Your Sleeve" Blood Drive in July making significant contributions to the region's volunteer blood donor program for the American Red Cross. WBCN sets-up stands and holds live broadcasts from four different locations around Boston. Prizes are given away to everyone that participates in the blood drive as well. It is the largest blood drive promotion in Massachusetts.

WBCN is responsible for setting up The Roni Sunshine Fund at the Dana-Farber Cancer Institute. The fund was set up in memory of the station's co-worker, Roni Sunshine. As a result of WBCN's efforts, the Fund continues to make an extraordinary impact on the lives of women fighting breast and gynecologic cancers at the Institute.

WBCN has also been for the last four years the official media sponsor for Project Bread's Ride for Hunger, which is held each year during the month of September. More than 1,000 cyclists and volunteers participate in Project Bread's Ride for Hunger yearly.

WBCN's Promotion Director, Chachi Loprete, attends the annual "Knock Out Autism" Golf Classic as a member of the celebrity golfers team. WBCN donates prizes each year for the auction held immediately following the golf match.

WBMX

In the past year, many Boston area radio stations have gone "jockless", claiming listeners & community is a vital part of establishing the local feel and community aspect of the radio station. WMKK is totally jock free; WBOS, JMN & KISS 108 have all laid off local jocks for all music formats or replaced local DJ with generic national voice tracking. WBMX is one of the only stations that goes live with DJ's

24 hours a day. WBMX also bucks the trend of carrying nationally syndicated public affairs shows, instead opting to produce interview programs locally and spotlighting organizations in the Boston area. We also have become very active in broadcasting from various neighborhoods street celebrations, from the Feast of St. Anthony in the North End of Boston to community celebrations at Revere Beach & Central Square. WBMX sees these types of broadcasts as a way to really illustrate the local feel and unique content of our radio station and this city.

WBZ

WBZ Radio broadcasts local programming twenty-four hours per day, seven days per week. WBZ Radio does not broadcast any long form syndicated network programs.

Every year WBZ will coordinate with high school athletic directors on Thanksgiving day to collect and broadcast the scores of the local high school football scores. WBZ broadcasts the scores in specially expanded sports reports all afternoon on the holiday.

WBZ NewsRadio 1030 AM provided an exclusive live video stream of a Thanksgiving Day football game between the Quincy Presidents and the North Quincy Red Raiders on WBZ1030.com. thanksgiving will still get a chance to see the football game.”

Throughout the winter months, WBZ teams up with Citizen Energy Corporation to broadcast a series of Public Service Announcements advising listeners in need on purchasing low-cost home heating oil.

WODS

Oldies 103.3, WODS does not voice-track any shift. We feel that it's important to have live personalities on the air 24 hours a day. All Oldies 103.3 personalities are local and represent the community to reflect our listeners' needs. In the event of an emergency, through the services of Metro Networks, we are able to update our listeners at any time with news and pertinent information.

Each Sunday morning, June Knight hosts a critically acclaimed public affairs show called “Encounter” highlighting local citizens who have made a difference in the local community. Among the topics discussed on the half-hour program are Friends of Boston's Homeless, Massachusetts Affordable Reliable Electricity, The ALS Chapter of Massachusetts, African American Patriots Tour of the Freedom Trail, Project Bread Walk for Hunger and more.

WODS is proud to have one of the most heritage airstaffs in the market. Both Dale Dorman (WODS 5:30am-9am), J.J. Wright (WODS 1am to 5:30am) and Karen Blake (WODS 2pm-6pm) have been at the forefront of Boston radio for 30+ years. Dale, J.J., Karen and Paula Street (WODS 9am - 2pm) don't just play and talk about the music... they do it with a local flair. Each has been a resident of Greater Boston for most of their careers and are exceptionally in touch with the local communities, using that information as content for their shows.

WODS airs critically acclaimed show “Lost 45s with Barry Scott,” which features Top 40 music from the 60s, 70s and 80s that no longer receive adequate airplay. “The Lost 45s” has been recognized as a preeminent program by publications and programs such as Billboard, Radio and Records, Rolling Stone, Spin, the New York Daily News, VH-1's “Behind the Music”, CNN, Good Morning America, and Entertainment Tonight. The Boston Herald calls it the “most successful weekend show in the history of Boston radio...dedicated to one-hit wonders and forgotten gems of the 70s and 80s.”

Whether it's tickets to the Senior PGA Tour, the AARP Convention or to a major concert at the TD Banknorth Garden, WODS listeners know that when a big event comes to Boston, the station has got their tickets. It's the station's way of giving back to its listeners and maintaining a Boston angle on its on-air product.

WZLX

While WZLX is primarily known as a music station, it does cover news that matters to its audience. WZLX runs local news hourly during the AM drive from 6am-9am, Monday thru Friday. WZLX

also runs local traffic twice per hour from 6am-9am, Monday thru Friday and once per hour from 4pm-7pm on Monday thru Friday.

WZLX participates in the "Amber Alert" system and will break in at any time the system is activated to find lost or kidnapped children.

CHARLOTTE

WBAV-FM

WBAV-FM prides itself on being the voice of Charlotte's African-American community. Every morning the station provides live local, state, and national news coverage in an hour-long program called "Front Page with Beatrice Thompson." The show includes a live-interview segment with a local community leader or newsmaker and provides up-to-the-minute coverage of news and information of importance to the local community. Each week, WBAV-FM'S "Straight Talk" provides an hour of live talk Sunday mornings from 11:00am until 12:00 Noon. The show has tackled a variety of topics including, but not limited to:

- Health care issues---Diabetes, transplants, sickle cell, HIV/AIDS, smoking.
- Political --- area city council decisions, taxation questions, laws impacting daily life of listeners.
- Education-- desegregation issues, bussing/transportation, achievement goals.
